

The 12 DAYS of SAFETY

1 Never place or leave decorations near open flames, like candles.

2 Water live trees regularly; keep them away from heat sources.

3 Turn off lights when away/asleep.

4 Poinsettias and mistletoe are toxic; keep away from pets.

5 Never leave cooking or baking unattended.

6 Maintain wood-burning fireplaces, don't burn wrapping paper.

7 Unplug space heaters when sleeping or leaving the room.

8 Test & check batteries in smoke detectors.

9 Use extension cords properly, don't overload circuits

10 If stuck in heavy snow, make sure the exhaust pipe is clear of snow.

11 Only make online purchases from trusted retailers.

12 Drive sober, make a plan to get home safely.
